

CLASSICAL  music NEWS

It is the new online news source in the classical music world

It is free and accessible to all, professionals and enthusiasts.

It includes classic music industry news from all over the world, from all sectors of the industry, interviews with key people, event announcements and CD new releases

It aims at making the classical music industry news more accessible but also providing decision-makers with reliable news and information that can help the professionals keep abreast of any development.

It targets to become a forum where classical music professionals and academics exchange views and engage in constructive discussions.

# CLASSICAL music NEWS

**News** All press releases and news from soloists, orchestras, composers, manufacturers, publishers, organizations and more available at one click
